FOR IMMEDIATE RELEASE

### **Premix, Inc. announces new Corporate Director of Sales & Marketing**

Premix, Inc. is pleased to announce the appointment of Jeff Cash as Corporate Director, Sales & Marketing. Jeff brings 30 years of experience at the Lubrizol Corporation, leading and managing global sales organizations and business units during his employment .

Jeff has a B.S. in Chemistry from John Carroll University and an MBA in Marketing from Cleveland State University. He will be responsible for enhancing Premix's presence in existing core markets and identifying and developing new opportunities to focus the Premix "Total System Approach" on material replacement.

Premix, Inc, based in North Kingsville, Ohio is a global leader in the development, design and manufacture of thermoset composite materials and molded components. Premix services diverse global markets focusing on electrical, transportation, HVAC, construction and healthcare.

Quantum Composites, a wholly-owned subsidiary located in Bay City Michigan, develops and manufactures high performance Engineered Structural Composites focusing on the aerospace, military/defense, automotive and safety and industrial equipment markets.
